Statement from the artist: "My name is Ivory Agaluk Okdeasik. I come from Sitnasuak Alaska. My parents are Denise Oliver and Buddy Okdeasik. My grandparents are Franklin and Lavonne Okdeasik and Carol and Curt Oliver. I have three sisters and our mother passed away in 2012 due to alcohol poisoning. Our people have faced a lot through historic trauma, intergenerational trauma, and complex trauma. We are ready to heal from colonization and racism. We are ready to raise and speak our words. We are ready to do this together."
